THE WEDDING EXPERIENCE

THE PERFECT VENUE

Have you chosen a venue for the big day? Choose a location to get the wedding process started. There are many types of venues to choose from to best fit your style and create the perfect setting. View our list of venues to help find your perfect venue.

THE MENU

Impress your guests with one of our delectable menus. From Sit Down to Stations, The Berwick will help you find the perfect menu for your reception. We pride ourselves on serving fresh homemade food that your guests will remember for years to come.

THE TASTING

One of the favorite moments in the wedding planning process is the tasting. The Berwick provides complimentary tastings with flexible availability to work with your schedule. You can bring up to eight of your family and friends and try up to six entrees, eight sides, six appetizers or the station menus as well. The tasting will give you a chance to taste some homemade Italian goodness as well as speak with one of the Susi family members to have all of your questions answered.

THE SETUP

The Berwick includes all of the linen tablecloths, linen napkins, china, silverware, glassware and table skirting in the pricing to make the planning less stressful. To make the process even easier for you, we setup the entire reception!

THE SERVICE STAFF

Our service staff, bartenders, kitchen staff and Susi family members will be at the reception to ensure everything runs smoothly and your every need is met. From beginning to end, we make sure that everyone at the reception receives the best of service. ** See contract for hourly staff rates.

THE QUOTE

Need a price quote? Once the venue and menu are chosen, we can work with you to create an estimate for the big day. We will need to know the number of guests attending, time frame of the reception, bar details, menu and budget to start the process. You are almost there....

THE BOOKING

We would be honored to be a part of your wedding. There are only two simple steps to book our catering services: Signing a contract and providing a deposit. You can speak with a member of the Susi family for more details.

THE FINAL DETAILS

The wedding is approaching and all of the details are coming together. Setup an appointment with a family member to get all of the details planned from table setup to the napkin colors. We are more than happy to help with any recommendations on room setup & decorations for the venue, alcohol amounts and timeline. We will take this time to ensure that no detail goes unnoticed.

THE BIG DAY

The day has finally arrived. The Berwick staff will setup the venue to your specifications either the day before or the day of the reception. We will arrive on-site the day of the reception to ensure that everything is ready upon your guests' arrival and work diligently to guarantee everyone is satisfied and no one goes home hungry. At the end of the reception, leave the cleaning to us. We will help ensure that everything is taken care of at the venue so you can continue enjoying the wedding experience even after the final dance of the evening.
