

## **Who we are**

Our family has been the culinary force behind exceptional events in Central Ohio for three generations. Maria and Tony Susi opened the Berwick in 1955 with the dream of bringing families and friends together to celebrate special occasions with delicious fresh-cooked food. That passion for food and service has now been passed on to the younger Susi generations and we all take great pride in carrying on Maria and Tony's legacy.

## **What we believe**

We are constantly learning and trying new things, but in the end it is our 60+ years of experience that set us apart.

Quality is at the heart of our business. We believe that all food should be delicious, and we use high quality ingredients to give our food unparalleled taste that guests are sure to remember.

Homemade Italian goodness is what we specialize in, but our menus offer selections far beyond just Italian. We also enjoy creating custom menus, from *imaginative* to *ethnic*.

In our family, we believe that great memories are created over a meal and that belief extends to any event we plan. It could be a Tuesday night dinner with the family or a 400-person wedding. Regardless of its scale, the ritual of enjoying a delicious meal is important to us.

From the menu selection to the last dance, the Susi family will personally be with you every step of the way. We will finalize the details, set the reception venue and establish a steady flow for your reception so all you need to do is enjoy your special day.

## **The Perfect Off-Site Catering Wedding Menu**

This packet contains our favorite menu selections for weddings catered at off-site venues. There is a lot to choose from, but feel free to reach out to a Susi family member if you have something special in mind for your special day and we can help you plan a customized menu.

We look forward to working with you!

-The Susi Family

## The Berwick Experience

From the menu selection to the end of the event, the Susi family will personally be with you every step of the way. We will finalize the details, set up the venue and establish a steady flow for your event so all you need to do is enjoy.

### The Venue

Have you chosen a venue for the big day? Choose a location from our enclosed Catering Venue list to get the wedding-planning process started. There are many types of venues to choose from to best fit your style and create the perfect setting. If your perfect wedding venue is not on our list, give us a call.

### The Menu

Impress your guests with one of our delectable menus. From Sit Down to Station Buffets, we pride ourselves on serving fresh homemade food that your guests will remember for years to come.

### The Tasting

One of the favorite moments in the wedding planning process is the tasting. We provide complimentary tastings with flexible availability to work with your schedule. You can bring up to eight of your family and friends and try up to six entrees, eight sides, six appetizers and selections from the station buffet menus. The tasting will give you a chance to taste our homemade Italian goodness as well as speak with one of the Susi family members to answer all your questions.

### The Setup

We include all of the linen tablecloths, linen napkins, china, silverware, glassware and table skirting in the menu pricing to make the planning less stressful. To make the process even easier for you, we setup the entire reception!

### The Service Staff

Our service staff, bartenders, kitchen staff and a Susi family member will be at the reception to ensure everything runs smoothly and your every need is met. From beginning to end, we make sure that everyone at the reception receives the best of service. **\*\* See Catering Contract for hourly staff rates.**

### The Quote

Need a price quote? Once the venue is chosen, we can work with you to create an estimate for the big day. We will need to know the number of guests attending, time frame of the reception, bar details, and menu style (plated, buffet stations, etc.) to start the process. You are almost there....

### The Booking

We would be honored to be a part of your wedding. There are only two simple steps to book our off-site catering services: (1) Signing a contract and (2) Providing a deposit. You can speak with a member of the Susi family for more details.

### The Final Details

The wedding is approaching and the details are coming together. Setup an appointment with a Susi family member to get the final details planned, from table setup to the napkin colors. We are more than happy to help with any recommendations on room setup, venue decorations, alcohol amounts and timeline. We will take this time to ensure that no detail goes unnoticed.

### The Main Event

The day has finally arrived! Our staff will setup the venue to your specifications, either the day before or the day of the reception. We will work diligently to guarantee everyone is satisfied and no one goes home hungry. At the end of the reception, leave the cleaning to us. We will help take care of everything at the venue so you can continue enjoying the wedding experience even after the final dance.
